

RIGGER

ALL PURPOSE CONSTRUCTION AND RESCUE HARNESS

HRP1679

The Rigger is a multi-purpose harness for the discerning worker that carries out a multitude of tasks and requires all-day comfort.

Incorporating a padded waist belt with off-set side positioning D's and shoulder rescue loops, the Rigger is ready to carry out any type of pole, rescue and confined space work.

Our advanced 3D moisture-wicking mesh fabric provides advanced breathability and also integrates twiCEme, a digital feature that makes your vital info easily accessible in an emergency with a tap of a smartphone using NFC* (available late 2021).

RATING: 140kg

LIFESPAN: Up to 10 Years
