

# UTILITY S

## MULTI-PURPOSE HARNESS WITH STANDARD BUCKLES

### HUSB017

The UtilityS is a cost-effective reliable harness for the trades person that carries out short periods of fall arrest work.

Weighing as little as 1100 grams this full-body harness features front and rear fall arrest attachment points; including a dorsal extension with Velcro stowage, and front classic connection buckles on the legs and chest.

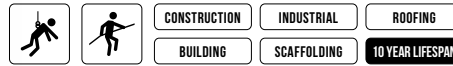

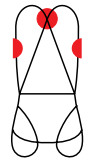

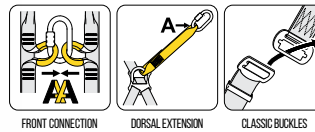

With durable non-slip polyester webbing construction for a secure fit, the UtilityS harness is ideal for general construction, roofing and general industrial applications.
